

# **Diamond City Water, Sewer, and Sanitation Rates & Fees**

## **Monthly Water Rates**

### **Residential and Commercial Properties within City Limits**

|            |           |                                                                      |
|------------|-----------|----------------------------------------------------------------------|
| Base rate: | \$27.50   | – Flat fee for the first 1,000 gallons (\$17.50 for the senior rate) |
|            | \$0.01485 | – Per-gallon rate over 1,000-gallon threshold                        |
|            | \$62.20   | – Seasonal/minimum use rate with no usage (admin. fee)               |

## **Sewer Rates**

|            |          |                                               |
|------------|----------|-----------------------------------------------|
| Base rate: | \$31.90  | – Flat fee for the first 1,000 gallons        |
|            | \$0.0132 | – Per-gallon rate over 1,000-gallon threshold |

## **Sanitation Fees & Pick-up (Residential Customers Only)**

|                      |                      |                         |                         |
|----------------------|----------------------|-------------------------|-------------------------|
| \$23.57 – 65-gal can | \$25.22 – 95-gal can | \$47.14- 2x 65 gal cans | \$50.44- 2x 95 gal cans |
|----------------------|----------------------|-------------------------|-------------------------|

Trash pick-up is on Wednesday morning. Methvin will pick up trash from only the company's blue poly-cart provided to each residence. Trash must be bagged, and only bags that fit inside the cart are permitted.

## **Deposits & Fees**

### **New Water Account Setup:**

Homeowner's meter deposit – \$200 refundable upon moving with bill paid in full

Renter's meter deposit – \$200 refundable upon moving with bill paid in full

Commercial meter deposit – \$200 non-refundable

### **New Connections & Reconnection Fees**

\$50 – New account connection fee (non-refundable)

\$45 – Non-payment reconnection fee. After 30 days of non-payment, an additional \$50 deposit is required.

### **Water & Sewer Taps**

Water tap – \$2,500 or actual cost (whichever is greater)

Sewer tap – \$1,500 or actual cost (whichever is greater)

IMPORTANT: A new customer account must be opened and paid for at this time.

Water, sewer, and sanitation services are included in each monthly bill. Taxes are charged for only the water portion of each monthly bill.

A valid driver's license or state ID and proof of ownership or lease/rental agreement are required to open a customer account with Diamond City.
